Dear Den 6 Cub Scout Parents,

Today we completed requirement *e* for achievement 8, *The Past is Exciting and Important*. We had a tour of the Isham Day House, built in 1839. We then went to Fiddleheads Coffee House and learned about its history as the village cobbler's house and shop in the 1800's. We enjoyed lemonade at Fiddleheads. Please have your son complete the attached family history, which is requirement 8 *d*. He should bring it back to our next den meeting on October 11th. Thank you.

Please send a check to me for this year's den dues. Our projects and activities this year will be a bit more expensive, so dues will be \$25.00 this year. This includes fees for some of our field trips. Our schedule of den meetings for the year is being sent home with this letter.

We have a pack meeting on Tuesday, September 24. David Stokes, a well known naturalist, will present the program at that meeting. His visit will fulfill another requirement for advancement.

We need two drivers to volunteer for the *Scouting for Food* drive. We need one on the morning of Oct. 12 and the other on the morning of Oct. 19. Please call me if you can help. Thank you.

Dear Den 6 Webelos Parents,

Today we completed the requirements for the *Engineer Badge*. Tyler's dad, Tim Thur, came to our den meeting and taught us how to measure a property line and how electricity is generated and gets to our homes. We made electrical circuits, which your son has probably proudly shown you by now. Thank you for having your son draw the floor plan of your house.

We have a busy time ahead in Cub Scouting. Our next den meeting is Friday, Nov. 14. We will be completing the *Athlete Badge*. We will take a field trip to Mequon Racquet Club and Fitness Center, where we will talk to a trainer about a fitness plan. This is part of the sports pin for physical fitness, a requirement for the *Athlete Badge*.

Tomorrow at 11:00, the following boys will meet Mr. Thur in the lobby of school to do the distribution of the Scouting for Food bags: **Peter Cronin, Henry Read and Tyler Thur.**

On Tuesday, Nov. 11 our den will be conducting the flag ceremonies at both of the Donges Bay School Veteran's Day programs, 2:00 and 7:00 p.m. **Please have your son wear his uniform and neckerchief to school.**

On Saturday, Nov. 15, we have two things: your son's popcorn will be delivered to your home by Tim Thur in mid-to-late morning. Please make sure that someone will be home. Thank you, Tim! Please begin delivering popcorn to customers that day. Also on the 15th, we have the bag collection for Scouting for Food. The following boys should meet at the Collins home at 10:00 a.m.: **Andy Collins, Chris Hahn, Colin Komisar and Joey Werner.** Thank you, Laurie Collins! She will tell you when and where you can pick up your son after the bags are collected.

On Tuesday, Nov. 18, we have the pack meeting at 7:00 p.m. at school. All of our boys will be receiving the *Engineer Badge* at that meeting.

Thanks to all of the parents in this den for their outstanding help and support!

Dear Den 6 Webelos Parents,

This evening we completed the *Communicator Badge*. Several of the requirements for this badge have been completed by the boys as part of their school curriculum. It certainly was fun tonight to visit the T.V. station and be part of the weathercast .

Thanks to those who assisted with buckthorn removal at our annual conservation project last Sunday. We had nearly 70 people there to help. Many, many thanks to Lori and Jim Read for organizing this event for our pack this year and for the past 5 years.

The boys in our den did an outstanding job with the opening and closing flag ceremonies at the Veteran's Day program at school on Thursday. They received a lot of compliments from the veterans, teachers and parents in attendance. Our fifth grade teacher, Mrs. Vitse, told me she was so proud of them that the ceremony brought a tear to her eye.

We have a Pack Meeting on Tuesday night, November 16 at 7:00 at school. The naturalist from the Schlitz Audubon Center will be bringing the bald eagle for her presentation to us. The boys in our den will be receiving badges.

Our next Den Meeting is Friday, December 3 at 3:40 p.m. at school.

Upcoming dates:

Nov. 13-22 – Deliver popcorn to customers and collect money

Tuesday, Nov. 16 at 7:00 p.m. Pack Meeting at school (bald eagle)

Monday, Nov. 22 at 3:45 p.m. All popcorn sale money due to Suzette Grube-Thur

Friday, Dec. 3 at 3:40-5:00 p.m. Den Meeting at school (Craftsman Badge)

Sincerely,
